125 CLUB

make a difference to the life of a North East child

Every penny

we receive is spent in the north east of England to support local children, young people and families.

Children North East has been transforming the lives of children for 125 years.

To mark the occasion, Children North East has established a corporate club to allow local businesses and organisations to receive recognition for their support and generosity.

Why support us?

By becoming part of the 125 Club, you will help support the region's oldest independent children's charity, whilst also meeting your own Corporate Social Responsibility objectives including:

The club provides an opportunity for the region's businesses to get involved in any way they can, to support the North East's very own children's charity.

- Staff engagement
- Sending a clear message regarding your company values
- PR opportunities
- Making a real contribution to the lives of children, young people and families in the North East

If you join the 125 Club and offer your support to Children North East over our 125th anniversary year, your business will receive a number of benefits in return as a thank you for your generosity.

How you can help

Every penny we receive is spent in the north east of England to support local children, young people and families. Without the generosity and support of the community we would not be able to provide the same level of help we do each year.
